

**COMPLETE SENIOR CARE TECHNOLOGY SOLUTIONS**

24X7 IT SUPPORT | TECHNOLOGY GUIDANCE & IT SERVICES |  
DEVICES | WI-FI SOLUTIONS

Fully Managed knows the primary objective in Senior Care communities is delivering quality resident care and services. Equipping facilities and staff with the right technology tools helps to achieve that goal. We offer a complete range of IT solutions to support your day-to-day activities and your long term objectives.

**WI-FI INFRASTRUCTURE**

Reliable, secure Wi-Fi is the backbone of your technology strategy and your ability to promote mobility for staff. We can help evaluate current infrastructure and plan for future needs.

**TECHNOLOGY STRATEGY & IT SERVICES**

Our expertise can guide your technology strategy and ensure your senior care community has the right tools and IT services in place to efficiently and securely deliver the best care possible.

**SENIOR CARE'S BEST MOBILE DEVICE & HARDWARE OPTIONS**

Fully Managed is the industry's largest provider of end-user devices enabling access to mission critical data and applications. Our multi-purpose devices lead the way to greater mobility and efficiency.

**FLEXIBLE, AFFORDABLE SOLUTIONS**

We offer Technology-as-a-Service (TaaS) payment options – providing customers with the ultimate flexibility, scalability and affordability. Get the technology you need today without the big capital outlay.

**24/7 SUPPORT**

24/7 care means staff need support after traditional business hours. Fill in gaps in support with personalized service from our team of technical specialists. Seamless service complements in-house IT teams and enables any facility to offer round-the-clock helpdesk support.

## WHY FULLY MANAGED?

Fully Managed has the sector experience you need and the technical expertise to ensure you have the right technology in place. Our end-to-end solutions and expert guidance support the senior care industry's efforts to achieve greater team engagement, improved productivity and ultimately better care.

**16+ YEARS**

### SENIOR CARE EXPERIENCE

We have a deep technical knowledge coupled with insight and understanding of the senior care sector and its unique requirements.
